

What is theology? Name some theologians. Why do you consider them theologians?

Who said the following statements? Is the statement true or false? Why is it true or false?

Statements about God	Who said that?	True?	Why do you think it's true or false?
You are a God who sees			
No one is good except one—God			
There is no God			
There is no partiality with God			
God will not see			
No one has seen God at any time			
God doesn't listen to sinners			
God is love			
Truly this man was the Son of God			
With God all things are possible			

Do you consider yourself a theologian? Why or why not?
